

YOU ARE INVITED TO A PAINTBALL BIRTHDAY PARTY!!!

Who: _____

Where: Gateway Paintball Park

When: _____

What to Bring:

- 1) SIGNED PARENTAL CONSENT FORM (printable off Gateway Paintball website)
- 2) Yourself!

What to Wear: Clothes that can get dirty and possibly a change of clothes for the ride home. Dress for the weather, and we generally advise you bring more clothes than not enough – you can always take extra layers off. The playing fields are outdoor. The paintballs typically do not stain clothing (it's not real paint), but it is obviously not advised to wear your best clothes – old jeans and sweatshirts are the norm. We can provide all of the paintball gear, of course including a full-face mask.

What to Expect: All private groups at Gateway Paintball include a personal guide/referee who will supervise the group the entire time they are at the facility.

If you have any additional questions about paintball or the outing itself, feel free to contact Melissa anytime @ 314-298-3772 or info@gatewaypaintball.com.
